HERE

The management team at STEPS Camp have years of experience running camps for all ages, as well as specialized experience working in the Mental Health field.

As Behavior Specialists, they understand the importance of positive structure and safety first, with current certifications in CPR, First Aid, de-escalation techniques and S.A.M.A. restraints, they keep up to date with best practices and participate in local community support programmes.

STEPS Camp leadership are motivated with a love and passion to serve and help nurture, teach, and have fun with children diagnosed with behavior challenges who are left out of so many other camps, day-cares, and summer activities.

P ositive Experience
S hared Purpose

OUR MISSION

To provide opportunities of positive social development for special needs children who exhibit maladaptive behavior patterns.

Fostering a positive ripple effect within the family unit and an inclusive culture within the community.

CORE VALUES

Dr. Greene's mantra – "Kids do well if they can" is the paradigm for how STEPS Camp treats all campers.

It is our adopted mindset which permeates all interaction with the children we serve, so that maladaptive behavior is not a reflection of who the child is but rather the skills they have or have not developed.

This paradigm promotes an understanding approach backed with practical solutions of skill building.

Leander Camp Site for 2017:

Rock Pointe Church
1070 CR 177, Leander, TX 78641

Camp Dates: 2017 dates will be posted on our website.

Camp Timings: 8:30 am - 3:30 pm.

Registration: February 2017, stay tuned!

Camp Fee: \$400.00 for each week/5-days. Contact STEPS Camp regarding respite support and scholarship funding.

Because the nature of our camp requires a high staff to camper ratio, we have kept the camp small and only have 18 spots. If you are interested, we encourage you to contact us right away!

You can access forms and pay fees online, or contact us directly. We look forward to an awesome camp with your child!

WHAT WE DO

STEPS Camp is full of fun activities such as water play, obstacle courses, relays, pet therapy, wagon rides, tug-o-war, bounce houses and more!

Campers are stimulated through fun and play while interacting with their peers.

Educational purposed sessions with a focus on teaching our campers coping skills, how to self-regulate, hygiene habits, social skills and providing a therapeutic milieu that supports learning through socialization.

Each day the campers will learn a valuable character trait taught by licensed therapists and/or certified Special Ed teacher.

With experienced and understanding staff, our care team is proactive and supportive of your child's specialized needs.

We do our utmost to ensure that children in our care are safe and well cared for.
